HONORABLE JUDGE STEVEN RHODES  
RE CASE # 13.53846

MY NAME IS FRANCES D. TEASE. I RETIRED  
FROM THE CITY OF DETROIT IN 1999 AT THE  
AGE OF 62. MY PENSION WAS NOT THAT  
MUCH BECAUSE I ONLY WORKED THERE  
FOR 11 1/2 YEARS.

I AM NOW 75 YRS OLD. I AM DIABETIC  
ALSO HAVE CHOLESTEROL PROBLEMS. FOR  
MY PENSION TO BE CUT OR MY HEALTHCARE  
BENEFITS LOST WOULD BE VERY DEVASTATING  
FOR ME. ALONG WITH BEING ELDERLY I  
HAVE A HUSBAND WHO IS MENTALLY

to keep him from being put into a facility by taking on the devastating task myself. He also has many health challenges. Diabetic, Blood Pressure, PAD, Kidney along with the ALZHEIMER'S DEMENTIA.

WE TAKE jobs in life hoping for benefits when we get this age. PLEASE CONSIDER the EXPENSES it takes to get to the doctors, pay for the medicines AND ALSO LIVE HEALTHY LIVES. I APPRECIATE your CONSIDERATION when you MAKE your decision ON OUR LIVES

SINCERELY

Deborah W. Jones
